

## PC STRAND

### Application:

Widely used in highway, bridges, buildings, airports, ports, nuclear power plants, dams and etc.

### Characteristic:

PC strand has the excellent performance of high ductility and low relaxation.

Standard BS5896-1980

### Steel strand for prestressed concrete

Product standard: GB/T 5224, BS5896,

ASTM A416, JISG 3536

Product size: 1x7-15.24mm, 1x7-15.20mm,

1x7-12.7mm, 1x7-9.53mm

Non-cohesive prestressed steel strand

Product size: 1x7-15.24mm, 1x7-12.7mm

### Steel wire for prestressed concrete

Product standard: JISG, ASTM, BS

Product size: 5mm, 6mm, 7mm, 8mm,

9.0mm, 10mm, 12mm
